**RA Review Method – Initial:** Never registered or last registered 30+ days ago.

**RA Review Method – Relicense:** Currently registered or date of last termination is within 30 days.

**RA Review Methods:** Automatic, Manual or Home State

- **Home State:** Similar to Automatic, but applicants with a residential address in that jurisdiction will be reviewed Manually.

**Dual Registrations:**

- **Always:** Dual registrations permitted.
- **Never:** Dual registrations prohibited. Please contact the state directly for exceptions.
- **Affiliates Only:** Dual registrations permitted for employment with affiliated firms (any firm under common ownership or control.) The system only recognizes a firm as affiliated if the filing firm already reported the affiliate firm under Question 10A or 10B on the Form BD, or Item 7A(3) on the Form ADV.

**Waiver of Sole Proprietor Fee:**

- **“Yes”** indicates state grants a waiver of RA Registration Fee for the Direct Owner if the Form of Organization - Legal Status is Sole Proprietorship on firm Form ADV. Waiver is applied when the sole proprietor files a Form U4 for the direct owner.

Please note that the state of New York has indicated to FINRA they do not currently register IA representatives (RA's) via the Web CRD system. Please contact the state for more information.
